

Michelle Gewer

Many times she contains her true thoughts,
Idealistic and honest she like to believe in oaths,
Countless times she suffer and cried without notion,
Humoured and mysterious she like to be,
Even if she plays hide and seek in slow motion,
Love clear her mind and will allow her to see
Lies and mistakes, to correct and improve her way,
Either if she is in the top or if she falls today,

Give her a minute and she will rise to the light,
Emotions touch everyday her hearth,
Wishes and dreams sometimes she leave them apart,
Ending almost everything with a smile so bright,
Readiness and in friendship she shows her true might.
